

Team Name: - Strikers_Team

Problem statement Title: Develop a Students Grievance Support System.

Problem Statement: - Web Application for Students Grievance Support System. It must be an easy access application, accessible to students, members of Student Grievance Redressed Committees, respective heads. Students should be able to post complaints under different categories, Department Level, Institute/College Level and University Level. Again these categories would be subdivided among sub categories such as Admission, Finance, Examination, Lecture Timetable/Learning, Paper Re-Evolution, etc.

Category: - Software

Problem Statement Number: - KB220

Domain Bucket: - Software - Web App development.
